

# Sustainable Building Education Day & Trade Show

COSI, Center of Science and Industry  
Monday, April 15, 2013, 8:00 AM - 6:00 PM

## For a Healthy, Prosperous & Sustainable Future!

### THE EVENT

DesignColumbus 2013 is an opportunity to learn about and engage in the transformation of the Central Ohio built environment to be more healthy, prosperous and sustainable. Educational seminars and a trade show present technologies for those creating built environments to promote sustainable growth, occupant health and economic vitality.

This full day of continuing education and informational displays is organized to attract hundreds of professionals involved in the building industry. Participants are representatives of the entire project team, including:

architects	designers
engineers	owners
developers	government officials
municipal planners	facility managers
contractors	construction managers
construction specifiers	manufacturers
product representatives	...and others

For all attendees, the continuing education component includes opportunities for AIA, GBCI and PDH continuing education units (CEUs). These CEU opportunities are of tremendous value to AIA and LEED Accredited Professionals, along with other professionals, interested in maintaining their credentials in an ever more competitive marketplace.

- CEUs
- Learning about what's happening in OUR market
- Networking
- Fun and Fellowship
- Defining the path of our Community

Be sure to checkout our keynote speaker for 2013: **Chris Pyke**, Ph.D. Vice President Research U.S. Green Building Council.

Parking for DesignColumbus 2013 is complimentary.
