President/CEO

KEYNOTE SPEAKER

Attend DesignColumbus 2014 to hear keynote speaker Columbus Downtown Development Corporation (CDDC) President/CEO, **Guy V. Worley**, describe the process of implementing the 2010 Downtown Columbus Strategic Plan. His presentation, *"Rebuilding Downtown Columbus,"* will focus on recent projects, including the Scioto Greenways project and the Scioto Peninsula Strategic Land Use Plan.

THE EVENT

DesignColumbus 2014 is an opportunity to learn about and engage in the transformation of the Central Ohio built environment to be more healthy, prosperous and sustainable. Educational seminars and a trade show present technologies for those creating built environments to promote sustainable growth, occupant health and economic vitality.

This full day of continuing education and informational displays is organized to attract hundreds of professionals involved in the building industry. Participants are representatives of the entire project team, including:

architects	designers
engineers	owners
developers	government officials
municipal planners	facility managers
contractors	construction managers
construction specifiers	manufacturers
product representatives	...and others

For all attendees, the continuing education component includes opportunities for AIA and GBCI continuing education units (CEUs). These CEU opportunities are of tremendous value to AIA and LEED Professionals, along with other professionals, interested in maintaining their credentials in a competitive marketplace.

- CEUs
- Learn what is happening in OUR market
- Professional Networking
- Fun and Camaraderie
- Defining the path of our Community

Parking for DesignColumbus 2014 is complimentary.
