# SUSTAINABLE BUILDING

## EDUCATION DAY & EXPO

### THE EVENT

DesignColumbus 2020 is an opportunity to learn about and engage in the transformation of the Central Ohio built environment to be more healthy, prosperous and sustainable. Educational seminars and expo present technologies for those creating built environments to promote sustainable growth, occupant health and economic vitality.

This full day of continuing education and informational displays is organized to attract hundreds of professionals involved in the building industry. Participants are representatives of the entire project team.

For all attendees, the continuing education component includes opportunities for AIA, GBCI and IDCEC continuing education units (CEUs). These CEU opportunities are of tremendous value to Architects, Interior Designers and LEED Professionals interested in maintaining their credentials in an ever more competitive marketplace.

### KEYNOTE PRESENTERS

#### Dr. David T. Harrison

**President, Columbus State Community College**  
With more than 25,000 students, Columbus State is one of the largest and most comprehensive colleges in Ohio. Through its campuses the college contributes nearly a billion dollars in regional economic impact.

#### David Miller
